Newman Window Replacement
6110 Yarrow Drive
Carlsbad, CA 92011

To Whom it May Concern:

I would like you to know how very pleased I am with my new sliding doors. Not only are the doors wonderful, but Greg [REDACTED] couldn't have been more helpful. He made sure I chose the correct doors for my needs, and made sure work was done to perfection.

I was out of town during the installation, and came home to find my doors in, window treatments replaced, and the entire house as clean as when I left.

I will be replacing my windows within the coming year, and I will be calling Greg at that time to help me with that

Sincerely,

Laura [REDACTED]
